Overview

Associated Internists of Ahwatukee, PC was established in 1994 by Dr. Edward O. Tokatlian. The practice is currently comprised of a total of six internal medicine physicians with an active patient database of over ten thousand patients.

Associated Internists of Ahwatukee, PC conducts all clinical trials under the physician owned and operated research organization Physicians' Center for Clinical Research. PCCR was established in 2003 by Dr. Tokatlian and Dr. Edouard Mouaikel in order to more efficiently and effectively conduct clinical trials.
